CIVAIR.

REF ROME 680.

Morabito, Italian Embassy, informally advised Dept today on instructions from Rome that GOI suggested negotiations on new bilateral air transport agreement take place in Rome early in December. He indicated GOI amenable to alternative suggestions USG might have regarding negotiations. In brief discussion it was pointed out to Morabito that negotiations might be lengthy and difficult and that December might not be best month. Morabito suggested some preliminary work might be done through Embassy but Dept officials did not encourage this suggestion.

Dept officials indicated to Morabito USG would consider GOI suggestion and would give him USG views on negotiations in near future.
